

We want to communicate more effectively with you. We also want to make it easy for you to control what types of announcements you get from us and how you are notified when we make them. And in order to do this we are using a new, simple service called Flocknote.

Flocknote is free for you to use and doesn't require a special app. Your information will be completely safe and secure. We will not bombard you with "spam"! We will use this platform to keep you updated about special events, service opportunities, and last-minute schedule changes or weather-related closures. You can also sign up for groups to receive targeted messages depending on your interests and areas of involvement in the parish (e.g., Music Ministry, Religious Ed, Young Adults).

We encourage everyone to join us on Flocknote. There are two ways to sign up:

From your mobile phone: Text **SPNB** to **84576**. Flocknote will send you back a confirmation message AND another message asking you to click a link to complete the signup process.

From your computer: Visit www.flocknote.com/StPeterParishNB
